

## **Community Service Reflection Paper**

After you have completed your hours of service you are to write a reflection paper (350-500 words). Below are some basic points to include in your reflection. Papers are to be turned in to Mr. Lewis by **May 1, 2010**.

What is the name and mission of the agency for which you volunteered?

Who benefited from your work?

Describe your service experience.

- \* What motivated you to choose that agency or activity?
- \* What were the most memorable parts of your experience?
- \* Reflect on how you were personally affected by the experience.
- \* What did you learn from the experience?

In general, how does serving others in the community help prepare you for life as a young adult?
