

The Canterbury Episcopal School

June 11, 2010

Dear Parent or Guardian,

We are so pleased that you have chosen The Canterbury Episcopal School for your family. It is our goal to keep your child healthy and safe while they are in our care. In order to do that effectively and be in compliance with the state of Texas, it is imperative that we have their health information on file. Please complete each form carefully and attach the proper information to the corresponding sheet.

1. **COPY OF IMMUNIZATIONS** (please attach to sheet) _____
2. **STUDENT HEALTH FORM** _____
3. **TREATMENT CONSENT FORM** _____
4. **PHYSICAL** (required for all athletes and grades K,1,3,5,7,9,11) _____
5. **AUTHORIZATION FOR MEDICATION** (as needed) _____
6. **STEROID AGREEMENT** (high school athletes only) _____
7. **ACKNOWLEDGEMENT OF RULES** (high school athletes only) _____

As a reminder, ALL NEW AND RETURNING STUDENTS are to provide the school with a current and up-to-date copy of all immunizations EACH YEAR. Please note the changes in immunization requirements for the 2010-2011 school year (see corresponding sheet).

Students must have **ALL** of the required forms turned into the office by **July 9th**. **No student will be allowed to participate in sports when practice begins (August 2nd for Volleyball and August 11th for Soccer) or start classes until the school receives ALL of the necessary forms.**

Once again, thank you so much for choosing Canterbury and we are looking forward to caring for your child.

Sincerely,

The Canterbury Episcopal School
