Boxtops for Education is having some great sweepstakes right now! One sweepstakes will award 250,000 boxtops to the winning entrant's school. Another awards 1000 boxtops to the entrant's school and donates a laptop computer to a child in Africa. Please visit www.boxtops4education.com daily to enter both contests and clip money-saving grocery coupons. Remember to keep clipping and saving those boxtops! Look for a special collection sheet from **Labels for Education** in the January 8 Dallas Morning News. Attach five UPC's from any Labels for Education products. Submit the collection sheet to CES and our school will earn 100 bonus points! Be sure to visit www.labelsforeducation.com for details on participating products, printable coupons, recipes, meal ideas and more.
